

NATIONAL ASSEMBLY

NOTICE OF QUESTION

Honorable Mike Kavekatora (**Signature**):.....

I give notice that on **Thursday, 23rd February 2017** I shall ask the **Minister of Home Affairs and Immigration, Honourable Pendukeni Iivula-Ithana**, the following questions relating to Chinese nationals in the country:

It has been reported that the number of the Chinese nationals in Namibia has reached 100,000 since independence and it keeps increasing.

1. What vetting processes are in place to prevent criminals from taking advantage of this open window?
2. The Honourable Minister must be worried that Chinese nationals are implicated in poaching and money laundering syndicates. What corrective measures is the Minister considering to stop the rot?
3. It is a well-known fact that the liberation struggle had support from many friends, including the Chinese. Out of all those many friends, which ones are also implicated in crime at a comparative rate as that of the Chinese?

I so move.
